Business Foundation Training - Compliance Series

Legal issues can be devastating to an organization. Costly lawsuits, out-of-court settlements, bad publicity, and high turnover are some of the consequences of failure to comply with current employment laws. This series addresses the most common legal issues that most companies face, and provides specific information for managers, supervisors, and human resources associates.

- A chilly climate- Workplace Harassment
- New Supervisor- the first six months
- Hiring and Firing
- Legal Issues for Managers and Supervisors
